Powder River Trails Mission:

"To build a vibrant, healthy community by increasing access and connectivity to places where we live, work, and play."

WHY TRAILS

"Having a walking path encourages people to exercise more than if they have to just walk on the streets or down a highway."

Pete Wenzel, VP of PR Co. Chamber of Commerce and Ag

"You could take a walk with friends or have a picnic at the end of the trail."

Fifth Grade Student, 2015/16

"My children and I enjoy family time which includes walks and bike rides. It is very difficult to find a route that does not involve crossing the highway...a walking path offers a scenic and peaceful place for families to enjoy time together."

Cody Portwine-Kinzer, LCSW

"First things first, people would be way safer walking around on the north side of town without having to be hit by a car or having bike wrecks in the road."

Fifth Grade student, 2015/16
